About Us

Hypex Surgical is a Pakistan-based manufacturer of high-quality surgical and dental instruments, built on precision, craftsmanship, and trust. With years of expertise in the medical instruments industry, we take pride in supplying reliable tools that empower healthcare professionals around the world.

Our products are crafted using German-grade stainless steel and advanced production technology, ensuring accuracy, durability, and ergonomic design for every procedure. From general surgery to specialized disciplines, Hypex Surgical instruments reflect our ongoing commitment to excellence and innovation.

We proudly serve global distributors, hospitals, and medical professionals, ensuring timely delivery and unmatched quality standards — because for us, every instrument represents a promise of life-saving precision.

Our **Mission** is to design, manufacture, and deliver world-class surgical instruments that meet the evolving needs of the healthcare industry — blending innovation, craftsmanship, and integrity to support surgeons and improve patient outcomes worldwide.

Hypex Surgical **Vision** is to be recognized globally as a trusted partner in surgical excellence, setting new benchmarks in quality, precision, and reliability. Hypex Surgical aims to continuously evolve with technology, sustainability, and customer satisfaction at its core.

How To Order

- 1 Choose your desired product from our extensive range or send your detailed tray list to us and we'll do the work
- 2 Email info@hypexsurgical.com or call +92 332 0640444 with the product codes and we will provide you with a quote
- 3 Upon approval of the quote we will process your order

How To Pay

We accept Visa, Mastercard, Amex cards, paypal and bank payments.

Our Services

At Hypex Surgical, we take pride in being a trusted manufacturer and global supplier of high-quality surgical and dental instruments. Each instrument we produce is engineered with precision, built to perform, and designed to last — ensuring reliability in every procedure.

MANUFACTURING EXCELLENCE

We specialize in the design and production of premium-grade surgical and dental instruments using German stainless steel and cutting-edge technology. Our manufacturing process ensures precision, consistency, and durability in every product.

CUSTOM INSTRUMENT DEVELOPMENT

We collaborate closely with surgeons, hospitals, and distributors to develop customized instruments that meet unique procedural needs. From prototyping to final production, every detail is tailored to our client's specifications.

QUALITY CONTROL & ASSURANCE

Every instrument passes through a multi-stage inspection process, including dimensional verification, hardness testing, and surface finishing checks — ensuring compliance with international standards such as ISO 13485 and CE.

GLOBAL EXPORT SERVICES

We proudly serve clients in over 40 countries, providing seamless global logistics and documentation support to ensure smooth and timely deliveries.

PRIVATE LABEL & OEM SERVICES

We provide Private Label and OEM manufacturing options for distributors and brands worldwide, enabling them to market premium instruments under their own identity — supported by our unmatched craftsmanship and reliability.

POLISHING & FINISHING OPTIONS

Choose from a wide range of finishes including matte, mirror, satin, sandblast, and gold-plated, providing both functionality and aesthetic appeal to match your market's demand.

TIMELY DELIVERY & SUPPORT

With a streamlined supply chain and experienced export team, we ensure on-time delivery, transparent communication, and dedicated after-sales support to build long-term trust.

INNOVATION & R&D

Our R&D team continuously explores modern surgical technologies and ergonomic designs to enhance performance, reduce fatigue, and align with the latest trends in global healthcare.
